

FAST PRAY GIVE

September 25, 2023

Fast: Monday, Sept 25

Pray: North Africa

Give: sfvineyard.com/give

Remember the poor through a **Fast**—experiencing a day without food, praying for those in need, and using the money otherwise spent on ourselves to bless the poor.

Pray for open hearts in N Africa to the gospel and for healthcare needs to be met. Safety and provision for Sonya Dvorak and team. For the team to be spiritually ready and open to God's leading.

Give what you can this week to support Sonya on her trip. She will be meeting healthcare needs for an unreached people group that is both spiritually poor and materially destitute.
